Dear Jerry,

Thank you so much for building a stunning kitchen. It's simply beautiful! It's such a treat to be in our kitchen which easily makes it our favorite room in the house - the command central, the heart of our home. Anyone who sees it is so amazed by how beautiful it is, and it's usually followed by the question, "Who did your kitchen!?" Jerry, you understood exactly what we wanted in creating our vision and taking it to the highest level effortlessly. Frankie and I are so glad we had the opportunity to work with you on this project. We knew from the very beginning that the kitchen had to be very special. We also knew that you could deliver the goods because of Jerry's kitchen - another work of art. Most of all, we really appreciated all the hard work you put into every detail to meet your standards, as well as ours. The warmth and care you put into our kitchen now wraps us in pleasure everyday, because it truly is just so pretty. What a treat - and it keeps on giving...

---

It was a pleasure working with you and Lindsey. You two are quite a team, you made it fun for us. And now, this soulful kitchen will definitely have a lasting treasure in our home and in our hearts for many years to come. As the saying goes, "if we measure success by the number of lives we touch and truly make a difference, then it's hard to imagine a richer life than yours. With sincere gratitude & respect,  
Frank & Ditas Campo

P.S. our master & guest bathrooms are equally be-u-ti-ful. Honestly, our friends & family can only handle so much dosage of beauty at one time. 😊

Cheers!
